

# Michelin Tires

Discounts on tires for your **Tiffin RV** and some passenger car/light truck. Please Note: **Not all companies selling Michelin tires are enrolled in the Michelin Advantage Program, you will need to choose a dealer that is listed on the Michelin website.**

## Let's Get Started:

**Step 1: Make sure your Allegro Club membership is current and the Tiffin Allegro Club office has a valid email address on file for you.**

## **Step 2: Locate a participating Michelin RV tire dealer**

To find a participating dealer, go to <https://business.michelinman.com/dealer-locator>

Select the dealer that best suits your tire needs by calling to make sure they have your tires in stock. If you are in a small town or rural area, you may need to move the search bar to 100 miles to show more dealers. **The DISCOUNT applies to tires only! It does not apply to mounting, disposal, taxes, or any other fees.**

After finding your local participating dealer, you will need to register your credit card with Michelin.

## **Step 3: Register your credit card**

Call **888-532-6435** and select **Option 1** to register your credit card.

While on the phone, ask the Michelin Customer Rep what your discount will be. Dealers will not know what your cost will be. **You pay Michelin direct.**

Once the credit card has been registered, call the selected dealership back and let them know you have registered with Michelin. The dealer will then ask for the last 4 digits of your credit card and will call Michelin to verify the payment has been made.

Next, the Dealer will need **your current Tiffin Allegro Club Membership number** to finalize the transaction. Include enough leading 0's (zeros) to make 9 digits (Ex: 12345 is your member number, the dealer adds four zeros to make 9 digits: 000012345).

After the transaction is complete, Michelin will send the Tiffin Allegro Club a copy of the invoice and we will email a copy directly to you. Again, please make sure the Tiffin Allegro Club has a valid email address for you before you make the purchase.
